CENTRE FOR

RESOURCES, ENERGY AND  
ENVIRONMENTAL LAW

Dear Friends and Colleagues,

The Centre for Resources, Energy and Environmental Law is pleased to invite you to a panel discussion on

## Climate Change Law: Challenges and Future Directions

A panel of climate change experts will be giving presentations on international law and climate change; refugee law and climate change and the Garnaut Review, followed by a panel discussion and question-and-answer session.

This seminar provides a rare opportunity to engage with experts working at the cutting edge of this important field.

Please note that this seminar is being held as part of the Melbourne Law School's Environmental Law subject.

**Bookings essential as places are limited!**
