UHT 2020 Awards

We love the Union House Theatre end of year award celebrations – they are a time to acknowledge the hard work everyone contributes to making our community so great.

Sadly, in 2020 there wasn't a live ceremony, but the good news was that we were still able to go ahead with an award program, albeit a little differently than before.

Proudly supported by the University of Melbourne Theatre Board, this year all awards were by self or peer nomination. Winners were announced on our social media after semester concluded via a video presentation.
